Franklin & Marshall

The next month the US Senate voted 97-1 to support the Arias plan. The pledge was also activated in response to Congressional votes related to funding for the Contras and the Salvadoran government.

Resisting Reagan: The U.S. Central America Peace Movement by Christian Smith

Former CIA director Admiral Stansfield Turner also testified, reluctantly acknowledging Contra terrorism: Rightly or wrongly, there are many of us today who see the actions of the Contras as being beneath the ethical standards we would like the United States to employ. In this ambitious book, Smith presents a new model for social theory that does justice to the best of our humanistic visions of people, life, and society.
