The scene begins to change slowly. I think it did this because I wasn't really nice to it either and saw it as a bad thing.

The sun and the shadow : my experiment with lucid dreaming / Kenneth Kelzer

Conscious Dreaming, to my surprise, was not about lucid dreaming. The roots of the idea reach straight into the colonial paradigm of Western civilization, where it is our noble right to seize what we want because our own desires are the only thing that matters in the dream—the dream ego is the only thing truly alive.
