## The Countryman cottage life book (Book, 1974) [styleguide.expo.io]

Like my withs: some bundles up with wire, but what are you goin' to do with a thousand bits o' wire? Like most book groups, first stop for the Bas Bleus after making their way up the walkway is the kitchen—for coffee and baked goods. The quartzite La Cloche Mountains rise in the background, familiar to me from paintings by members of the Group of Seven. But if 'twere frosty today I wouldn't be usin' it, not on yer life.

### The Countryman

Brassicas, potatoes, peas and beans, and leafy, cool weather crops do particularly well, but I've even seen maize growing OUTSIDE! The tradition is so prized by the members that many schedule their holidays around attending the meeting. ### Lifestyles

When a smallholding in a remote Dales village comes on the market, it seems like the answer to their prayers. Set in the Yorkshire Dales, this book tells of the trials and tribulations of a couple selling their city-based antiques business and relocating to the picturesque countryside of the Dales.

### Lifestyles

You'd be in your thermals and wearing a mac all year, though! But the thick 'uns is terrible on yer hands. A captivating cast of characters with names like, The Colonel, Fiery Frank, Little Petal, Ted, Nellie May and Canary Mary will draw you in until you love them all and develop a favourite or two.

Another tickled me where it told of how various cider makers liked to add novel things to their hogsheads.

### Countryman's Lot: Tales from the Dales by Max Hardcastle

When the Hardcastles decide to relocate, it means relocating their small Antiques business as well. Many people strung together multiple kinds of work.

### **Countryman's Lot: Tales from the Dales by Max Hardcastle**

The cottage book club: Once a summer, the love of a good story turns a loose collection of cottagers into a tight community of readers. One tells how the apprentice blacksmith's skill was needed for cider making-- keeping the huge apple press in repair. At one past Bas Bleus meeting, the women broke into small groups to drill into one aspect of the book, then shared their ideas with the rest.
