### **J. James Exon Early career, Governor of Nebraska (1971**

Exon worked well with both parties in Washington, and often sided with Republicans on military and budget issues. After retiring from the Senate in 1996, Exon served on the Deutch Committee, which was created by Congress to study the threat of weapons of mass destruction. State records indicate he vetoed 141 bills during his last seven years in office, an average of 20 per year.
