Is Christmas Pagan?

But there are a few that have remained the most popular, and the greatest representations of what Christmas really is about. The line about smooching under the mistletoe is surprisingly an untouched save for translation original line.

History of Christmas Carols:

The History of Christmas Bells. But this is why I can say, I have a Christmas tree not because the Christmas tree reminds me of Jesus, though I could imagine for some people it does, and if you were taught early on that the Christmas tree is representative of theological truth, then that becomes a theological meaning for you.

Christmas and pagan drinking song

For example, Christians who have been influenced by C.

Yule Songs: Pagan Solstice Songs and Carols * Wicca

Christmas music books were being distributed and this led to a spiked interest in playing and singing these songs.
