GODDESS: THE SECRET LIVES OF MARILYN MONROE...

By the age of twenty-four she had been married twice and borne two children, who were raised by relatives of her first husband. No part of this excerpt may be reproduced or reprinted without permission in writing from the publisher. I also realized there was much more behind the facade of blonde than certainly I had been aware of, I would not be surprised if I was the only one.

Goddess: The Secret Lives of Marilyn Monroe by Anthony Summers, Paperback

What follows are the facts that had been uncovered at the time of her death, and over the past 50 year years. When I read this I had the feeling that she felt alienated from everything and everyone around her, trying desperately, to find some sort of common thread, no matter how tattered, thin, or tenuous it might have been.

GODDESS: THE SECRET LIVES OF MARILYN MONROE...

. I love her movies, I love her songs I'm Through With Love is my fave and I love reading about her life. I remember reading this book when I was maybe 13 and being completely mind blown.

Goddess

People you run into feel that, well, who is she—who does she think she is, Marilyn Monroe? These men were able to keep secrets that today's politicians could only dream about.
