The Go

Remember, Comrade Peck has half of his left forearm buried in France. When we send a man out to the Orient to be our manager there, we have to trust him all the way or not at all. Ricks, I snapped into it and gave him a rifle salute, and said, 'Sir, it shall be done'--and I'll never forget the look that man gave me.

I know he has a pleasing personality. Your pernicious habit of deferring the inevitable parting with money has cost us the services of more than one good man. What sort of blue is it, how tall is it and what is, approximately, its greatest diameter? You are responsible for the acts of your servant.

Affairs of Cappy Ricks

If I had discovered it yesterday I wouldn't be asking you to get it for me today, Bill. Haze, a dim witted twerp, accidentally invents an enormous, beautiful, flowering plant that has one drawback, it feeds on human blood.

Does it set on a base, or does it not? It worked for him, obviously, as he enjoyed decades of success in television and film. Scarcely had the door closed behind him than Mr. Skinner, in the language of the sporting world, was down for the count--and knew it.

Affairs of Cappy Ricks

He tried the door, but it was locked, as he had anticipated it would be. Entertaining for kids and adults. Cohen was listed as an art dealer at the address where the blue vase reposed in the show window.
