## Low profile beds, for frequent fallers

The powder-coated finish is offered in a variety of colors and features a generous level of distressing that perfectly captures that antique style. While these are not the only factors that support a safe culture, these four factors with support for a strong impact will be discussed in this section.

2015

Nursing Administration Quarterly, 36 2 , 127-135. If an event does occur then the person is mentally ready to work on recovery and minimize disruption from the event.
