

Carnival of Doubt

Macfadden-Bartell - Doubt: A Parable

Description: On the day they gave money away, the shopping center was a scene of happy confusion. A carnival had been set up nearby, and now a clown was throwing coins and bills to the eager crowd. Suddenly the gay scene changed to a nightmare. A man clutched his stomach and dropped to the ground. A clown was shot; a young mother was killed by a stray bullet. The merry-makers were no longer the audience, but unwilling pawns in a dangerous game -- with life or death as the stakes.
