

The advertisement features a central collage of book covers and coin images. At the top, a banner reads "NEW BOOK RELEASE". Below it, the main title "SO CALLED DOLLARS FROM THE PACIFIC COAST EXPOSITIONS" is displayed, followed by the author "BY JEFF SHELVIN & BILL HYDER" and the foreword credit "FOREWORD BY Q. DAVID BOWERS". To the left, a yellow starburst contains the text "WITH 100 COLOR PHOTOGRAPHS OF COINS AND STAMPS". To the right, another yellow starburst says "WITH 60 COLOR PHOTOGRAPHS OF COINS AND STAMPS". The central image shows three book covers: "DELTA EDITION" (top left), "NEW ANNUAL PRICE GUIDE AVAILABLE" (top right), and "MANAGEMENT EDITION" (bottom). These covers feature various coins and stamps. A large, detailed image of a 1904 California State Fair Exposition quarter dollar is prominently displayed in the center. Below the books, a red banner states "Hardcover, 320 pages, Full color \$39.95". At the bottom, contact information for Jeff Shelvin is provided, including his address at 1804 S William St., Suite 2100, Carson City, NV 89701, his website URL, and his phone number. On the far right edge, there are two small vertical labels: "PACIFIC COAST EXPOSITIONS" and "NEW ANNUAL PRICE GUIDE AVAILABLE".

From there, they boarded their newly constructed boat on the Ohio River and rowed, sailed, and drifted along the borders of West Virginia, Ohio, Indiana, Illinois, and Kentucky. In 1876 founded the Houston Telegram. Catalog of exhibition, Robert B.

Jefferson Library: Exhibits

Humboldt and Bonpland maintained a warm correspondence about science and politics until Bonpland's death in 1858. Re-reading this passage, it seems Baudin is repeating information he has been given by the girl — it is straightforward, and gives us little reason to doubt his belief in its accuracy.

gabriel

As Humboldt discovered, the government kept tight control of the expedition, even when it was 1,000 miles 1,600 km from Moscow, with local government officials greeting the expedition at every stop. Eugene Smith, Inge Morath, and Marc Riboud.

The family of Marion Dufresne, therefore, belonged to a unique class of bourgeois merchants and shipowners: pillars of the Church and State, but at the same time competitors with the nobility for important ecclesiastical and secular rank and privilege. SF Camerawork, San Francisco and Photographic Resource Center, Boston, 1988. At the University of Göttingen, Humboldt met a Steven Jan van Geuns, a Dutch student of medicine, with whom he travelled to the in the fall of 1789 and met in Mainz, a naturalist who had been with Captain on his second voyage.
