## The Popularity of Commedia dell'arte

Stock Characters The actors of the commedia represented fixed social types.

## Women of Commedia dell'arte

Accounts of the early commedia, as far back as Calmo in the 1570s and the of Venice, note the ability of comici to sing precisely and beautifully. His hat, which was a soft cap, was modeled after Charles IX or after Henri II, and almost always had a tail of a rabbit, hare or a fox with the occasional tuft of feathers. In 2010, poetry and possible verse soliloquys written by Mary Sidney Herbert were discovered.

It can be used as readily for political satire as for gentle family comedy.

## Studies in the Commedia Dell'Arte

One might say that Scapin and Sganarelle are his sons and Figaro his grandson, and these only differ from their ancestor by being a little more civilized or having a little more respect for the law and a little less ready to draw the knife. In addition to singing and dancing, the players could counterfeit regional dialects and double in several roles while specializing in one of them. Typically the story ends happily, with the marriage of the innamorati and forgiveness for any wrongdoings.
