Collezione

He also has a lifestyle blog called F. The Gallerie dell'Accademia is the main museum of Venice, which contains the best collection of Venetian art, especially related to the paintings of the period from the 14th century to the 18th century. Born in a family of theater actors in 1725, he came through as highly intellectual and very sharp from his very childhood, having become in his time an erudite scholar, a diplomat and spy, and a metropolitan avant la lettre, who frequented the high society and seduced.

Please note: due to the renovation work currently under way on the first floor of the Museum, some works may not be exhibited. This room portrays the Byzantine influence on the earliest painters and we admired the pious religious adoration evident, especially in the polyptychs.

Accademia Gallery

It is a 20-minute stroll from both Piazzale Roma and Venezia-Santa Lucia railway station.

Gallerie dell'Accademia (Venice)

.

Gallerie dell'Accademia (Venice, Italy)

Here you will find amazing world-class masterpieces, such as by Giorgione, by Tiziano, by Carpaccio, and by Paolo Veronese, just to name a few.

Gallerie dell'Accademia (Venice)

The ticket desks close at 1 p. Finally, in Room 24, we can find the magnificent Presentation of the Virgin at the Temple and Mourning of Christ by Titian. As mentioned previously, the collections are arranged in chronological order, so the first room contains works by some of the earliest Venetian painters such as Paolo Veneziano and Lorenzo Veneziano who were both from the 1300s.
