The teacher gives a group of students a specific problem to solve together and allows freedom to create, perform, improvise, conduct, research, and investigate different facets of music in a spiral curriculum. But pop never went away. But where exactly it originates from is often lost on people.

10 Royalty

More than ever before, women rappers are challenging male rappers' sexist lyrics and using rap lyrics to define an independent black female identity. And it's not just legacy content: YouTube Music allows users to upload new tracks to its online music locker, too. It attracted more than 1 million Facebook users during its beta trial, and officially went live November 1.
