The Influence of NGOs on International Law

Washington DC: Center for Global Development.

Making Intelligence Relevant for the Missions of the 21st Century

It is a time when people flock to churches in droves. Monitoring and assessing legitimate force protection concerns throughout the deployment still remain a major focus of the intelligence effort.

The Role and Importance of the Church in the Community

The , on the other hand, continues to resist to formally adopting a process. However, these statistics do not capture the full picture of the shifting role of NGOs in development cooperation.

Making Intelligence Relevant for the Missions of the 21st Century

When it comes to exerting influence in the international law-making process, NGO typically initiate action by first encouraging states to international norms.

Africa

Nation-building generally assumes that someone or something is doing the building intentionally.
