### Communication Process

You can ask different types of questions to guide the conversation.

### Communication Process

The Communication Process in Action Brenda wants to remind her husband, Roberto, to stop by the store after work and buy milk for dinner. This model focuses on the sender and message within a communication encounter.

**In which stage of the communication process is a common understanding reached between the participants?**

Interpreting the message is referred to as decoding.

**styleguide.expo.io**

It is certainly the widest and most used function of language and is bound to facts or concrete objects. At Userlike, we use to manage most of our projects, and we have a dedicated project 'Minutes' in which we collect our recurring meetings as tasks, with our specific meeting points as sub-tasks.
