St. Catherine's Island

Catherines until 1777, when he died from a fatal wound inflicted by during a duel. Catherines and other barrier islands from the Creeks. The discovery of mission Santa Catalina has contributed significantly to knowledge about early inhabitants of the island and about the Spanish presence in Georgia nearly two centuries before the arrival of British colonists.

St. Catherine's Island

Augustine is renowned as the oldest continuously inhabited city in the United States. But twelve years ago, when I first came to Georgia to conduct archaeology on St.

Archaeological dig reveals Franciscan mission on Georgia barrier island

For Bishop Hartmayer, the trip had a twofold purpose. We know from the historical documents that the sixteenth-century mission church was burnt to the ground in September 1597.

St. Catherine's Island

In the late 1500s, Franciscan missionaries, followers of St.
