Who's the Boss? The Organizational Impact of Bypassing the Chain of Command

The New York City families had crews operating in New Jersey: the Masseria family's , and the 's Jersey crew.

IMPRINT: Who's The Boss ?

Leadership, however is a very broad concept and has many different ways of interpretations depending on the brand or business.

Boss Tweed

In depictions of Tweed and the Tammany Hall organization, historians have emphasized the thievery and conspiratorial nature of Boss Tweed, along with lining his own pockets and those of his friends and allies.

Who's The Boss? Leadership & Authenticity

With this, Tammany Hall became an influential political organization in the area.

Women in Business: Who's the Boss?

All of this activity, of course, also brought great wealth to Tweed and his friends. Employees receive rewards, such as bonuses and vouchers when they accomplish goals. Tammany Hall managed to gain power, as well as reduce Clinton and his followers to just a small fraction.

Who's the Boss? The Organizational Impact of Bypassing the Chain of Command

Political machines routinely used fraud and bribery to further their ends. The result was an even larger riot in which over 60 people were killed and more than 150 injured.

Who's the Boss?

Tweed and two others from Tammany also received over half the private stock of the Bridge Company, the charter of which specified that only private stockholders had voting rights, so that even though the cities of Brooklyn and Manhattan put up most of the money, they essentially had no control over the project. Linda: In this situation, Todd as the manager has a real issue.

Tammany Hall

With its origins hailing from Sicily, Italy, the American mafia rose to power during the illegal bootlegging days of the era. Guests are presumed to have included members of the , thirty state legislators whose votes were up for sale.
