The Valley of Silent Men by Curwood James Oliver

A thousand times in his life he had discovered that humor and tragedy were very closely related, and that there were times when only the breadth of a hair separated the two. Along its nearer edges stood hushed walls of tamarack, bowed in the smothering clutch of snow and ice, shut in by impenetrable gloom. It seems only yesterday that the railroad was not there, and a great world of wilderness lay between the Landing and the upper rim of civilization.

Nothing inappropriate, mind you, but it was painfully slow during those chapters. There was one chance in fifty that he might live two or three days, but there was no chance at all that he would live more than three. When he thought he was dying, Sergeant Kent, the best man-trapper in the Royal Mounted, told a story that branded him as a murderer and set another man free.

The Valley of Silent Men (audio book)

Then one day, one of those traders happens to show up at their cabin, and what follows is some close calls and long trips across the barrens of northern Canada that uncovers clues to the whereabouts of the notorious Scottie Deane and his wife, and all deal with near death experiences primarily due to loneliness, bitter cold, and fatigue, not to mention the red death. After that it was merely a matter of common sense to believe, and

now, sure that he was about to die. The aorta, he found, was the main blood-vessel arching over and leading from the heart, and in nicking it the bullet had so weakened its outer wall that it bulged out in the form of a sack, just as the inner tube of an automobile tire bulges through the outer casing when there is a blowout.

It was an unusual case. Excerpt THE VALLEY OF SILENT MEN Before the railroad's thin lines of steel bit their way up through the wilderness, Athabasca Landing was the picturesque threshold over which one must step who would enter into the mystery and adventure of the great white North. They grapple with it, wrestle joyously with it, and are glorious when they win.
