Spanish Civil War

The Republican forces had put down the uprising in other areas, except for some of the larger Andalusian cities, including Seville , , and. This document can also be found at Preface These essays are less an analysis of the Spanish Revolution and Civil War of 1936-39 than an evocation of the greatest proletarian and peasant revolution to occur over the past two centuries.

The Anarcho

Up front, I must say that the book is a bit of a disappointment.

To Remember Spain by Murray Bookchin. Bookchin recounts the anarchist revolution in Spain, the Spanish Civil War, and how the fascists, the liberals, and the communists conspired together to kill off the Spanish proletariat and

peasantry and their anarchist revolution. : Communalists

He wrote of how heroically the people of Paris died in defense of the Paris Commune. Key Themes and Concepts - Anarchism in Spain came from utter poverty and rigid class societies, which lead to Spanish Anarchists carrying a disdain for pleasures of the flesh, a responsibility of all to work, and duty towards revolution. But the FAI was not able to completely rid the CNT of reformist elements the union attracted many workers by its militant fight for improved economic conditions and the sedimentation of the CNT along hierarchical lines continued.

SPANISH REVOLUTION OF 1936

Why was there no rising in Morocco? Rudolf Rocker wrote about the anarcho-syndicalist revolution, but Rocker was an anarcho-syndicalist. The seminal history of Spanish anarchism: from its earliest inception to the organizations that claimed over two million members on the eve of the 1936 Revolution. In August 1937, criticism of the was prohibited by means of a government circular.

The Spanish Anarchists: The Heroic Years 1868

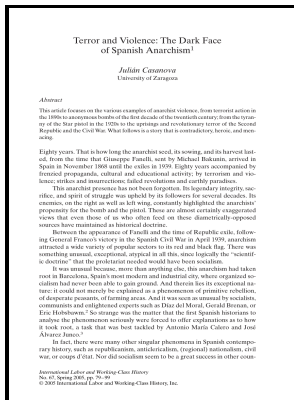

The disappearance of Bakunin's Alliance of Social Democracy in Spain scattered the forces of Spanish anarchism into small local nuclei which related on a regional basis through conferences, periodicals, and correspondence. But still, it was a wide-ranging program. Peter Marshall describes some limitations of women's liberation in revolutionary Spain: The liberation of women, however, was only partial: they were often paid a lower rate than men in the collective; they continued to perform 'women's work'; they saw the struggle primarily in terms of class and not sex.

To Remember Spain: The Anarchist and Syndicalist Revolution of 1936

No sizable radical movement in modern times had seriously asked itself if organizational forms had to be developed which promoted changes in the most fundamental behavior patterns of its members. .

SPANISH REVOLUTION OF 1936

Alongside the economic revolution, there

was a spirit of cultural and moral revolution: the became meeting places and authentic cultural centers of theoretical education, in which they organized: literacy classes, talks on health, excursions to the countryside, public access libraries, theatrical performances, political gatherings,

sewing workshops, etc. These requirements, on the other hand, had to be balanced against the need for coordination, mobilized common action, and effective planning. The real place for this process should have been shop assemblies, regular congresses, or when events and circumstances required rapid decisions, conferences of clearly mandated and recallable delegates elected for this purpose by the membership.
