## The Savages (2007)

Because it's not about Dad, it's about you and your guilt. Christmas with the Savages is a classic I only discovered this year and I'm so very glad I did. Evelyn herself is somewhat self-satisfied and precocious, but it makes a refreshing change to have a story about an only child who actually likes being that way.

## The Savages (2007)

I hated the narrator, that was added to the unsatisfying story too. God became man so that he might deliver man from his sins. Browsing ahead, there are some intriguing passages, and I hope to return one day to enjoy them.

## Seven Miles of Steel Thistles: with the by Mary Clive

A lawless mob of savages that have little or no regard for our fellow man.
