Rāmānuja, Vedanta Deepa: Commentary on the Vedanta Sutras

The text cites and quotes from the ten often, the and the in several sutras, but also mentions Upanishads now unknown and lost. To that pupil who has approached him respectfully, whose mind is altogether calm, the wise teacher truly told that knowledge of Brahman through which he knows the imperishable true Person' Mu.

SriBhashya

He is traditionally known as the Bhashyakara.

Essentials of Brahmasutra Bhasya of Sri Anandatirtha (Sri Madhvacharya)

The tradition is that he was initiated by Narada Muni, another eternally living sage.

Vedanta Sutras

The void itself is said to be all that is real and eternal, and the source from which everything manifests.

vedanta

This is likely, given that both Badarayana and Jaimini quote each other as they analyze each other's theories, Badarayana emphasizing knowledge while Jaimini emphasizes rituals, sometimes agreeing with each other, sometimes disagreeing, often anti-thesis of the other.

Main Teachings of Sri Shankara & Sri Madhwa

The three Matacharyas are Sri Ramanujacharya, Sri Adi Shankaracharya and Sri Madhwacharya. According to the text adopted in Dvaita

tradition it consists of 564 sutras. Some commentators read each line separately, while others sometimes read two as one treating some sutras as contextually connected.
