Now that the fiction has become largely fact—although the difference between costs actually charged and those recoverable on taxation, even on an indemnity basis, may still remain large in certain types of litigation—it is questionable whether the right to recover so-called extra costs is still justified, even when the claim is made against a third party to the original action.

Competition Law, Business Law Review

I think that we are entitled to know exactly what happened in the bid.

Competition Law, Business Law Review

Third, poststructuralist feminists emphasize the plurality in the meaning of gender. Sc, National Tsing Hua University, Taiwan, 1990 M. Foucauldian theories of discourse are developed along with terms such as regulation, sanction, government, power, control, knowledge and institution.
