debts, she's tempted, but there's a catch.

## Intersections: Male Homosexuality and Popular Culture in Modern Japan

And hate it I did, as I turned page after loathsome page in which Treat describes his sexual conduct with white men living in Japan.

64130054

Speaker Biography John Whittier Treat is Emeritus Professor at Yale University. The writer was not so much upset that senior Government officials had been found in such a restaurant but that they were there at the tax-payers' expense. To what extent have indigenous Japanese understandings of same-sex desire, fashioned in a religious and political climate quite different from that in western countries, been influenced by western models of lesbian and gay identity? I had to learn that I will not always be the smartest person in the room.

## **Intersections: Male Homosexuality and Popular Culture in Modern Japan**

The rapid transformations which have taken place in Japanese society over the last century have shown that it is possible to 'modernise' without having to 'westernise' and that it is therefore problematic when we try to understand Japanese culture through terms which have a very specific history within our own. For instance, John Treat, *Great Mirrors Shattered: Homosexuality, Orientalism and Japan*, Oxford: Oxford University Press, 1999; Stephen Miller, *Partings at Dawn: An Anthology of Japanese Gay Literature*, San Francisco: Gay Sunshine Press, 1996; Wim Lunsing, *Beyond Common Sense: Negotiating Constructions of Sexuality and Gender in Contemporary Japan*, London: Kegan Paul International, 1999a; Gary Leupp, *Male Colors: The Construction of Homosexuality in Tokugawa Japan*, Berkeley: University of California Press, 1995. Why is it that scholarship on Japanese queer experience has yet to engage with these issues? *Coming Out in Japan : The Story of Satoru and Ryuta*.

## **And I Dance with Somebody: Queer History in a Japanese Nightclub**

*Great Mirrors Shattered* is a compelling memoir of a gay man thoroughly familiar with the Japanese homosexual underground, a man anxious for his own health and unsure of the relationship he has left behind in the US.
