The Art of Distilling, Revised and Expanded: An Enthusiast's Guide to the Artisan Distilling of Whiskey, Vodka, Gin and other Potent Potables by Bill Owens, Alan Dikty, Andrew Faulkner, Paperback

The beer stripper is used to distill the fermented wash and concentrate the ethanol and all the impurities into a distillate of about 25 percent ethanol, called low wine.

The Art of Distilling Whiskey and Other Spirits: An Enthusiast's Guide to the Artisan Distilling of Potent Potables: Owens, Bill, Dikty, Alan, Maytag, Fritz: 9781592535699: styleguide.expo.io: Books

The hearts are the desired spirit in the middle.

Right to left, Steve Beam, his father, Jimmy, and his brother, Paul. The family house sits above the site of the historical Pogue Distillery and next to the current Old Pogue Distillery. There is no perfect design; each manufacturer says its pot still makes the best-tasting whiskey.

The Art of Distilling: An Enthusiast's Guide to the Artisan Distilling of Whiskey, Vodka, Gin and other Potent Potables : Owens, Bill: styleguide.expo.io.au: Books

Below the tails trays just water would be coming out, and the valves would be closed, so it would be left to flow to the bottom of the column and then to a drain. RYE WHISKEY THE Scotch-Irish immigrant distillers had some exposure to using rye in whiskey production, but for their German immigrant neighbors, rye had been the primary grain used in the production of schnapps and vodka back in northern Europe. For example, the largest whiskey distiller in Indiana sells virtually all of its bourbon and rye whiskey production to other whiskey distilleries and marketers.

The art of distilling whiskey and other spirits: an enthusiast's guide to the artisan distilling of potent potables

TENNESSEE WHISKEY TENNESSEE whiskey is a first cousin of bourbon, with a virtually identical history. What it does well is provide you with the point A to B of how distilling took form, how our passion, lifestyle, and local resources have shaped the multitudes of flavors and how governments and responsive artisans have creatively delivered these fruits to you. This right was originally inheritable, but that was revoked in the 1950s.
