## Trodat

Indeed his admiration went to artistically minded architects, such as Lutyens and Charles Rennie Mackintosh, who became a close friend, rather than to the more severely rational, such as Voysey. Die technischen Möglichkeiten des Massen-Buchdrucks führten zu einem radikalen Zuwachs an Titeln im 18. Bücher verändern die Gesellschaft bei heute.

## Voysey Society : biography of CFA Voysey

By 1914 Muthesius who had been a powerful official in the Prussian Government for at least a decade, and was to remain influential until his death was advocating mass-production, standardization, and the development of industrialization for architecture, notions which were completely the opposite of the Arts-and-Crafts position: his stance was opposed by van de and others, but became an article of faith in the 1920s among those who were to be the protagonists of the.
