## Two Time Great Loop Cruisers Exploring the Chesapeake Bay

The cruising sailor drinking morning coffee while anchored in a quiet cove will learn why a great blue heron stalks the shallows in summer; the canoeist will discover when to look for wild marsh flowers. In the 17 th century, the Bay constantly shifted with the rhythms of nature—a delicate yet dynamic balance. Great family boat; good for watersports.

## Exploring the Chesapeake in Small Boats by John Page Williams

These trip descriptions include information on access points, a short historical overview, physical characteristics of each watercourse and its banks, and remarks on the flora and fauna to be found there, in a narrative that at once stimulates and inspires.

## Boats of the Chesapeake

Skiffs are shallow, flat-bottomed boats recognizable by their sharp bow and square stern. Passenger ferries travel to and Islands from Reedville and Onancock Virginia and Crisfield Maryland. Patuxent Small Craft Center Located next to the Small Craft Building and adjacent to the boat basin, the Patuxent Small Craft Center serves as the headquarters for the small craft program.

## Explore The Chesapeake And Ohio Canal During National Park Week In April 2012

Small Craft Building This 6,000-square foot building, open toward the boat basin, houses twenty of the small craft in the museum's collections, ranging in size from a dugout canoe to the forty-five-foot draketail Penguin. Visit out section for expert tips, first-hand accounts of cruising the Chesapeake Bay, and tips and stories from Chesapeake boaters who have then chartered off the Chesapeake, in places like the.

## Exploring the Chesapeake in Small Boats by John Page Williams Jr.

Seasonal drinks and food warm up the days and evenings A warm meal and a hot drink can take the chill out of the crisp fall temperatures. The boat also felt exceptionally solid while underway, and even the Bimini top was remarkably stable as we tested the boat in a washing-machine chop.

## Exploring the Chesapeake in Small Boats

The watermen have two other 21-foot Carolina Skiffs. For a small fee in Georgetown visitors can step back in history and experience life along on the canal. For history buffs, conservationists, armchair travelers, tourists planning a trip, and anyone who simply loves first-rate nature photography, this beautiful book more than meets the high standard readers have come to expect from National Geographic.
