And then the newly 20 changed or created word or concept started to be widely accepted by Korean and Japanese historians between the 1900s and the 1920s. However, the negative images and common misconceptions in previous research on sedo politics have prevented scholars from understanding the period of sedo politics from a balanced angle and driven them to emphasize its unique features too much. By serving in the government, sallim from the rural regions could influence court politics.

Han'guk ūi chonggyo, munhwa ro ingnūnda (Book, 1998) [styleguide.expo.io]

All of the Chosŏn kings who were enthroned in the nineteenth century had a period of regency under queens. Moreover, there is much still to be explored in the history of the period 1800 and 1863, since there has not been enough historical research on that period.
