## Islam, the Qur'an and the Arabic Literature

The presentation of the narrative in dramatic form involving a succession of scenes brings home effortlessly the main theme and the lessons to be derived from the whole narrative. Prose works from the pre-Islamic period were mainly genealogies ansab and legends dealing with inter-tribal wars ayyam al-'arab.

It is widely used in Darul ulooms and Qur'anic Schools 978-1910967010 Weight: 90 In Stock : 21. Sayyid Qutb cites sura 53 al-Najm as an excellent example of prose rhythm produced by words similar in length and all ending in the same sound, in this case the long a There is another type of internal rhythm which is inherent in the structure of the single sentence.

## home

Arabic gained more and more ground with the increasing Muslim influence in India. It is clearly a form of literary composition which the Qur'an, the first book in Arabic, introduced to the language. Perhatikan ayat di bawah ini.

## Al

The existence of scientific words of Arabic origin in European languages is attributed to the pioneering efforts of Muslim scholars in the fields of mathematics, physics, chemistry, and medicine.

## Dar al

The whale is in a sea called 'Adwad, and it is like a small bull in a huge sea. Berikut ini adalah potongan surah Tha Ha yang diambil dari. Perhaps a poem may be luckier than another, and one poem sweeter and more elegant than another, but none of the ancient poems lacks its degree of excellence.

## **Tariq al**

The following quotation from Ibn Rashiq further illustrates the importance attached to linguistic skills in pre-Islamic Arabia. Together with the sayings, actions, and recommendations of Muhammad, the Qur'an has been the ultimate source of legal authority for Muslims over the past fourteen centuries.
