His life was singular; less on account of the romantic vicissitudes which diversified it, than the ideal tinge which it received from his own character and feelings.

Percy Bysshe Shelley: Epipsychidion

Narrow The heart that loves, the brain that contemplates, The life that wears, the spirit that creates One object, and one form, and builds thereby A sepulchre for its eternity. In her mild lights the starry spirits dance, The sunbeams of those wells which ever leap Under the lightnings of the soul —too deep For the brief fathom-line of thought or sense.
