Healthy Driven Country Livin

. Neil Barnard all have written books and articles citing that processed oils added to food is the primary culprit in the possibility of a person developing heart disease and type 2 diabetes. To be totally honest, it wasn't really about making money, it was more about not letting so much go to waste.

The Farmhouse at Veritas

A warm, healthy and open welcome from The Farmhouse Kitchen. You could take it to your neighbors but they just gave you some last week.

Sourdough Buns

Christmas is right around the corner! Farmer loves the full sugar ones, I grew up with the low sugar ones because my mom is a diabetic, and on some things I love the no sugar kinds because of how fresh they taste. With another finished project and happy clients under her belt, she decides to jet off to Ireland with her husband, Ant Anstead, for a well-deserved break.
