Neither is there much true humor, a quality without which true dramatic conception is impossible. It was fascinating to watch her, moving about, that old lady, crossing the room, coming to the window. If his dramas tend toward the real, they are by no means bound by it.

Aristotle and Modern Politics

There was something solemn in it--but love and religion would destroy that, whatever it was, the privacy of the soul. The journal thus addresses itself to a readership in comparative literature and literary theory and method, in addition to specialists in Arabic and Middle Eastern literatures and Middle East studies generally. That difficulty falls to the reader who must actively engage with Woolf's dynamic mimesis.
