When laying the typeface for a 1501 edition of Virgil in the new octavo form, Manutius charged a Bolognese punchcutter named Francesco Griffo to design a font that appeared calligraphic. With a foreword by Harrison, penned especially for this seminal volume, and an introduction by writer and scholar Robert DeMott, this is the definitive bibliographical study of a major figure in late twentieth- and early twenty-first-century American letters. You use a colon after an independent clause to introduce a series of items.

The Colon, That Most Majestic of Punctuation Marks

However, the ACT tests very particular types of English rules in context. Whilst drawing upon a wide range of material, including painting, engraving, photography, video art, poetry, fiction, and journalism, each essay contributes to the exploration of singular uses of punctuation which highlight the complexity of what remains in all cases a silent, and yet particularly eloquent, mode of expression.
