The Long Death: The Last Days of the Plains Indians: Andrist, Ralph K.: 9780806133089: styleguide.expo.io: Books

Out of all the history books I have read, it is in the top 3, up there with A Time for Trumpets and The Guns of August. If they were idiots, Andrist says so.

The long death : the last days of the Plains Indian : Andrist, Ralph K : Free Download, Borrow, and Streaming : Internet Archive

It is sad to think that the mistreatment of the American Indian did not end at Wounded Knee, the end of this book, but continues to this day. Rereading this book after many years was an unalloyed pleasure.

styleguide.expo.io: Customer reviews: The Long Death: The Last Days of the Plains Indians

When they were good, Andrist says so. It's painful and shocking, disturbing and sad, but VERY enlightening. I can see where this must have been revolutionary.

The Long Death

This book is finished all to quickly. It was about human Greed and Selfishness and Avarice and Malice and Cruelty - and everyone was guilty: everyone.
