Online Course: Community Development 101

In addition to the required community development course GSLL 1501 , you will choose three additional electives from a list of 16 course options. Primarily used as a means of reducing poverty in society for decades, community development is a process where problems that are impeding the lives of community members can be addressed and solutions found.

Online Course: Community Development 101

This course is designed to address the community development process in full and to act as a resource for those who want to use it to better themselves. No matter which campus you choose, you know that you will be learning in an adult environment where you will be respected and nurtured. Target Audience The toolkit provides practical guidance for all stages of the community development process — from exploration through construction, operations, and eventually decommissioning and closure, including the post-closure.

Courses for Community Development

The duration of on-site fieldwork is dependent on the specific course being covered. US ID: 110063 Credits: 8 NQF Level: 5 Type: Core Write up facilitation plans for workshops and advocacy programmes and monitor the implementation of those plans. Unit code: CHCCDE009 Unit description: This unit describes the skills and knowledge to design, provide and promote systems that identify and development both potential and existing leaders to build capacity within the community.

A Free Community Development Toolkit

Also, evaluate and review facilitation plans and integrate findings in future workshops and advocacy programmes. There are virtually no limits to its usage, and community leaders can implement and guide the process on their own with the assistance of community members. Some of the topics up for discussion will include the history and future of community development, the strategies that communities can use, and what factors impact the process.

Diploma of Community Development Course

On completion of the course, learners were awarded with Certificate of Competence for this unit standard. Whatever ideal they have for any facet of their lives is going to influence the actions that they take to try and make it a reality. Conclusion The Fundamentals Training Centre adopts an integrated approach to the delivery of its courses.
