European Fair Trading Law: The Unfair Commercial Practices Directive

One of the policy objectives is to align, as far as possible, the definitions of certain key terms across the Act and other consumer law, such as the Consumer Contracts Information, Cancellation and Additional Charges Regulations 2013 which implement the CRD, to facilitate easier interpretation and clearer application of the law. The MoE may issue regulations on capital of banks, acquisition of shareholdings, setting up of networks, acquisition of equity participations, solvency, liquidity, financial condition, disclosure of information to be sent to the supervisory authorities, rules on types and conditions of credit, deposit protection, rules on accounting, internal controls, IT, and safety of information.

European Fair Trading Law: The Unfair Commercial Practices Directive

Annex II lists binding and non-binding international instruments relating to substantial private law issues. The remaining question was whether this conflict was not unreasonable. The power of investigation of supervisors concerns all the operations of licensed insurance undertakings.

European Community

As to the issue of limitations on patent rights, Australia advanced the following points: - Limitations applied to the grant and scope of patent rights in order to ensure the fairness of the exchange between the State and the innovator.

EUR

The pre-Bill C-91 law permitted a compulsory licence to be issued at any time. In respect of the agricultural sector, due consideration is given to the specificity of Mauritius, a small island state, in the determination of customs duties.

Items where Year is 1984

Cited — HL 4-Mar-1994 The Equal Opportunities Commission sought judicial review to test whether English employment law was in breach of EC law where threshold conditions for part time workers to make unfair dismissal and redundancy law claims were discriminatory. These arrangements allow for the unrestricted exchange of information, including on a cross-sector basis in the case of supervision of insurance groups or financial conglomerates.

European Union

Other means of distance communication that allow individual communication may be used only where there is no clear objection from the consumer Article 10.
