Labor's Great War: The Struggle for Industrial Democracy and the Origins

of Modern American Labor Relations, 1912

. Sadlowski ran for the presidency. McCartin's book focuses on the American labor movement from a time of limited size and power prior to World War I to rapid gains in wages, union rights, and membership during the War to an erosion of many of these victories following the 1918 armistice.

Labor's Great War: The Struggle for Industrial Democracy and the Origins of Modern American Labor Relations, 1912

Abel became a protégé of, president of SWOC. An integral theme of the book is the idea of Industrial Democracy, a term that was almost universally embraced, but subject to different interpretations: collective bargaining to AFL members, owning the means of production to more radical unionists, and company unions and industrial relations departments to management.

Collective Bargaining in the Basic Steel Industry: The Rise, Fall and Replacement of Industry

Following the war, employers increasingly used the term industrial democracy as part of a system to increase worker productivity. He was survived by two daughters, two sons, and 11 grandchildren, his wife of 34 years having preceded him in death in 2000. Biographical Dictionary of American Labor.

Collective Bargaining in the Basic Steel Industry: The Rise, Fall and Replacement of Industry

His skilled leadership during the strike brought him to the attention of national SWOC officers and staff.

[PDF] GLOBAL STEEL INDUSTRY OUTLOOK TO 2017 PDF

My entire career in the trade-union movement was based on the belief that, in the face of serious obstacles, workers, whether on strike or not,

needed to remain united and committed over the long haul. To counteract the cycle, in 1973 Abel negotiated the Experimental Negotiating Agreement ENA with the major steelmakers. *Labor's Great War: The Struggle for Industrial Democracy and the Origins of Modern American Labor Relations, 1912-21.*
