This article provides an example of heritage tourism development in Lead, South Dakota, an economically depressed mining town in the Black Hills of South Dakota. North Bennington, Vermont: The Ecotourism Society.

An annotated bibliography of studies on the population of Taiwan.

Description: A refereed bibliographic serial covering a wide range of research areas, with individual issues dedicated to specific themes or topics.

Rural Information Center: Rural Tourism

Description: The National Criminal Justice Reference Service Abstracts Database contains summaries of more than 170,000 criminal justice publications. Inside Syria : The Backstory of Their Civil War and What the World Can Expect.

Family planning in Iran

It provides a good overview of tourism sustainability for tourism industry practitioners, researchers, and students, from the perspective of a variety of academic disciplines, including geography, sociology, economics, management, marketing, and planning. The author argues that this technique can assist resource managers in safeguarding natural assets and can aid in implementing better overall ecotourism strategies.

The Annotated Bibliography

The selection includes a noted classic, several recent studies, and research reflecting the constructs of multiple disciplines.

Annotated bibliography

The treatment group watched two episodes weekly, read a book related to the episode, and then participated in a hands-on activity to reinforce the theme or skills in the episode. These features are described as follows: data, regular meetings, training, support, and leadership and alignment.
