### Committee of Adjustment

Committee staff will review your application and confirm whether it is complete and ready to be assigned a hearing date. Trees on private property within the Urban Boundary and any municipally owned trees are subject to the City's Tree Protection Bylaw.

### Federal :: Urban Areas for the 2020 Census

If there is no incorporated place with a population of 10,000 or more, the urban area title will include the name of the most populous incorporated place or CDP within the urban area that has at least 2,500 people. If a federal, tribal, state, or local agency uses the urban area classification for nonstatistical purposes, it is that agency's responsibility to ensure that the classification is appropriate for such use.

### City of Chicago :: Planned Development Designations

The Committee of Adjustment is authorized to consider Applications for Permission to expand or change a legal non-conforming use under Section 45 of the Planning Act.

### Haldimand

However, now it seems the Government are reintroducing such matters to assist with their ambitious goal of building 300,000 homes per year. Impervious Surface: Paved, man-made surfaces, such as roads, parking lots, and rooftops. Enclave: An area with population or housing unit density lower than the minimum for qualification that is completely surrounded by area already qualified for inclusion as urban.

### Earth Has Crossed Several 'Planetary Boundaries,' Thresholds of Human

The world has a tremendous opportunity this year to address global risks, and do it more equitably. If an application is adjourned to a specific

Hearing Date there will be no further public notification, unless otherwise specified. This change also will provide the ability to update the extent of urban areas between censuses, based on housing unit information in the Census Bureau's Master Address File.
