Of course, all of the events in this book happens in the park that they visit just about every day. Her glance would have withered an oak-tree. They had come from Cherry-Tree Lane, he knew, for Miss Lark was calling from behind her shutters.

**Mary Poppins in the park (1984 edition)**

The people who usually sat there had gone home out of the heat. He was lying face downwards in the grass watching a family of ants.

**Mary Poppins in the Park**

Jane stretched out her hand and caught it. He could feel her legs, bony and strong, beneath the cool blue linen. If you love Mary Poppins its better to leave off before this book. The Lawns spread out like a green carpet, motionless in the sunlight.

**Mary Poppins in the Park by P. L. Travers, Mary Shepard, Paperback**

He gave a little anxious laugh. With all this sun about? Only the incomparable Mary Poppins can lead the Banks children on one marvelous adventure after another. No wind stirred the heavy leaves.
