## From Babylon to Timbuktu

This book reads like a history textbook.

## From Babylon to Timbuktu: Book Review

He never provided sources to any of his claims, I just can't get behind that. By giving a wide array of topics from the Moors in Spain to the origins of the original people, Windsor gives the reader an opportunity to dig further into the vast wealth of knowledge that the continent has had to offer with his own sources. There were a few facts that were good to know, but better to get a more reliable source I found this book to be a great primer into history that is seldom talked about.

## From Babylon To Timbuktu A History Of The Ancient Black Races Including The Black Hebrews PDF Book

It's rather fascinating actually because after that point onwards it becomes a coherent, easy read with a structured, chronological take on the history of, well, the ancient black races. Babylon to Timbuktu contains a vast wealth of historic knowledge that is very valuable particularly to persons of color.

## From Babylon to Timbuktu

It focuses on the Ancient Black Races and Black Hebrews. He obviously comes from Christian or Jewish. Relating the history of Africa to the Bible is something I have a strong interest in, therefore I really wanted to learn from this book, but it was a disappointment.
