Historic Preservation

In a rehabilitation project, there may be valid reasons for replacing the roof with a material other than the original.

American Steel Buildings

Federal, state, and local governments and private organizations are collaborating on the nation's response to climate change.

Metals in America's Historic Buildings : Gayle, Margot; Look, David; Waite, John : Free Download, Borrow, and Streaming : Internet Archive

Supervision: Finding a modern craftsman to reproduce historic details may take some effort.

Roofing for Historic Buildings

Slate: Another practice settlers brought to the New World was slate roofing.

Introduction to Historic Building Preservation

Roman building ingenuity extended over , , and covered. Remember, some roofing and flashing materials are not compatible. For example, the first made by humans were probably just wooden logs placed across a stream and later.
