Economic History of Virginia in the Seventeenth Century : An Inquiry Into the Material Condition of the People, Based Upon Original and Contemporaneous Records, Volume 1

Other Suggested children by said author was: Daniel, born 1657? Concerning The Africans who arrived at Jamestown on a Dutch ship in the summer of 1619. The fact that two such vessels were to arrive nearly simultaneously indicates that the volume of importation into this part of the Colony was not inconsiderable.

Economic History of Virginia in the Seventeenth Century. An inquiry into the material condition of the people, based upon original and contemporaneous records. Vol. II.

The records of patents, entered between 1670 and 1680, indicate that the increase in the slave population in the course of this period was comparatively insignificant. That no discrimination against the African was intended is disclosed in the fact that all Indian female slaves, whether employed indoors or in the fields, were also deemed to be tithables.

Not all of the negroes, however, who were guilty of the offence of running away were prompted to do so by the influence of individuals of the other race.

John Graweere or Geaween?

Thus from Geaween to Gowen we have compounded an error which is why no documented records exist of the possible freed son of Graweere. Colonel 1 Records of York County, Ludlow, vol.

Economic History of Virginia in the Seventeenth Century: An Inquiry Into the ...

This part of the black population had not yet acquired an 1 General Court Orders, June 30, 1640, Robinson Transcripts, p.
