Franz Schubert

His vocal contributions, more than 500 in all, were written for male and female voices, as well as mixed voices. In the 20th century, composers such as Benjamin Britten, Richard Strauss, and George Crumb either championed or paid homage to Schubert in their work. The expected D of the tonic minor first appears only at the end of that climax, and then again for the second subject of the recap in place of the expected tonic — instead of much earlier, in the second subject of the exposition, as customary.

Schubert: Biography

Money started coming his way. The compositions themselves are a sufficient biography. The dramatic closing section, however, does end in B major and leads to a coda in the tonic B minor.

In 1812, however, Schubert's voice broke, forcing him to leave the college, though he did continue his instruction with Antonio Salieri for three more years. As a result, he happily continued to compose during this time. He also composed a considerable number of secular works for two or more voices, namely part songs, choruses and cantatas.

He felt obliged to dedicate a symphony to them in return, and sent his friend , a leading member of the Society, an orchestral score he had written in 1822 consisting of the two completed movements of the Unfinished plus at least the first two pages of the start of a scherzo. Its first movement,

the scherzo sketch and the entr'acte are all in B minor, their is the same, and the entr'acte like the first movement is in sonata form as are all Schubert's symphonic finales and in a very similar style and mood.
