Peter Van Inwagen, The Problem of Evil: The Gifford Lectures Delivered in the University of St. Andrews in 2003

This lecture is already worth for reading the book. Highly accessible and carefully argued, Peter van Inwagen's book maintains that such reasoning does not hold, and that suffering should not undermine belief in God. Also, read his ESSAY ON FREE WILL.

H. D. Peels, P. van Inwagen, The Problem of Evil. The Gifford Lectures Delivered in the University of St Andrews in 2003. Oxford 2006: Oxford University Press. 183 pages. ISBN 0199245606

Wright published by InterVarsity Press. This book contains in eight chapters the revised text of eight Gifford lectures, which were delivered at the University of St Andrews in 2003. No entanto, os seus argumentos são fantasiosos e, imagino eu, uma plateia de agnósticos teria tendido ao ateísmo ao invés do teísmo.

The Problem of Evil: The Gifford Lectures Delivered in the University of St. Andrews in 2003 by Peter van Inwagen

He is not telling a story that is intended to to anything beyond convincing an ideal audience of agnostics to remain agnostic despite this argument. Uma leitura cansativa, e muito chata de acompanhar.
