Baltic literature: the best contemporary fiction you need to read — The Calvert Journal

Russian literature has long been one of the richest and most interesting branches of the literary tree, and has been supplying the world with incredible, fantastic novels for two centuries now — and continues to do so. The Bath Blend has been designed to be flexible in the face of possible changes in law or official government guidance, including measures on social distancing which may occur through the course of the next academic year and other changes to the operating environment for Universities which may be caused by the pandemic.
