Historical Methodologies

Great resources for lit reviews, humanities research at large. Although the core of the work discusses the location of research material and the research process itself, significant attention is paid to the topic of writing history once the sources are arrayed before you.

Going to the sources : a guide to historical research and writing

Love the first chapter especially, detailing the various recent schools of history. This new edition addresses the shifting nature of historical study over the last twenty years.

Going to the Sources: A Guide to Historical Research and Writing by Anthony Brundage

Published Chichester, West Sussex, UK : Wiley Blackwell, 2013.

Going to the Sources: A Guide to Historical Research and Writing: Brundage, Anthony: 9781119262749: styleguide.expo.io: Books

Multiple pages are missing spaces between words. As a guide, it's extremely useful for improving your skills in historical researching and writing.
Description xiii, 162 pages ; 22 cm Notes Includes bibliographical references and index.
