From alien to citizen; the story of my life in America : Steiner, Edward Alfred, 1866

The more I did it, the more I felt like an impostor, the more guilt I carried — and the more I worried that I would get caught. Thus, my tree was transplanted to yet another backyard, but this time with flora that had been there for hundreds and hundreds of years before me. He presents his accomplishments in his education and career as a journalist while living with his grandparents and having an illegal status in the United States.

American Dreamers

The people of this great story have my best wishes for success in my country! Should my mother remove her veil, or do her blue eyes cancel out the offense? Some may say an American is whoever wishes to be one, someone who truly adores this country and wishes to reside here despite their place of origin or their set of cultures and beliefs. This shift is not intentional.
