Plenary 13/05/2020

What do you think we need to do because, clearly, people are ignorant of their rights, and employers are either ignorant or abusing their rights? Llywydd, rwy'n teimlo fel pe bawn i wedi cael fy nal mewn sgwrs rhwng dau berson yn y fan yma. Only this morning, I had the pleasure and privilege of opening the new eastern campus in the constituency of the Cabinet Secretary for health.

Plenary 13/05/2020

Cabinet Secretary, will the Welsh Government be taking part in this? Mewn perthynas â'r rhaglen datblygu gwledig, mae'n bwysig iawn fod y prosiectau a ariennir yn sicrhau'r manteision angenrheidiol i'r ardaloedd y maent yno ar eu cyfer a bod y rhaglenni a'r prosiectau hynny'n cael eu monitro. Fodd bynnag, fe fyddwch yn ymwybodol fy mod wedi clustnodi hyd at Â£200 miliwn o gymorth ychwanegol i fusnesau yn y gyllideb derfynol.

Gwaelod y garth in English with contextual examples

The multiple challenges facing rural areas in Wales and the agricultural sector mean that we need to draw a new context for agriculture in Wales and to ensure a far more prosperous future for farming. I think that society needs to value care much higher, and then maybe they'd have more of an understanding about how parents have to juggle their time between being at work and doing other things. Is there any shortage of Welsh barristers with the competence and the quality? A yw Ysgrifennydd y Cabinet yn croesawu cyfraniad gwirfoddolwyr yn y broses o gefnogi cyn-filwyr? Nid oes unrhyw gynllunio ar gyfer Brexit 'dim cytundeb'.

Plenary 04/03/2020

In relation to the second point that the Member raised, Llywydd, last week there were figures published for staffing in the Welsh NHS.

. It's even stranger bearing in mind that some of the other entities, such as the regional partnership boards and the proposed corporate joint committees, also will be operating on a different basis.

Plenary 07/11/2018

Minister, I must tell you that workers in Llanelli have very little faith that the DWP proposals will result in no redundancies.

Accessions

There may well be other categories of need that we currently don't meet at all, but that we would like to meet once we've got the people who really aren't in adequate housing into that kind of housing. We have a rich history of welcoming people who were born or trained both in and outside Europe.
