Modern languages reference grammars

The language is available as an option to all pupils, but those who wish to opt for the subject at GCSE must have shown proven ability in the languages. We offer Spanish as an accelerated course from Third Year, taking pupils up to the required standard in just three years.

Modern Foreign Languages · The Rochester Grammar School

Our aim is to develop our boys as linguists who are enthusiastic about languages and their potential.

Modern languages reference grammars

KS3 builds on the foundation of Primary Language skills and we aim to offer a smooth transition in language skills and knowledge from Year 6 to Year 7. The tripartite system of grammar and secondary modern schools does survive in a few areas, such as Kent, where the eleven-plus examination to divide children into grammar and secondary modern schools is known as the.

Modern Foreign Languages

The subject combines well with any modern language, but also with Humanities subjects particularly Classical Civilisation and English.

Modern Foreign Languages

Today, all grammar schools in New Zealand are non-selective state schools, although they use school donations to supplement their government funding. The Grammar Schools Act 1840 made it lawful to apply the income of grammar schools to purposes other than the teaching of classical languages, but change still required the consent of the schoolmaster.

Modern Languages

Grammar schools were reinvented as academically oriented secondary schools following literary or scientific curricula, while often retaining classical subjects. Can ask a limited range of questions to extend conversations beyond the minimum.
