History Ireland

The Irish patriot newspapers reported events as such, and in doing so made ready use of the revolutionary American example.

Transnational News and the Irish Free Trade Crisis of 1779

Generally, this will be the date you began working in the other country. Campaigners, like those pictured above, have sought to remind the public of what such a frontier would look like.

Trade across the Irish border

One could make the case that had Ireland let its bank bondholders go, as Iceland did, Ireland would be better off today. Ireland has boomed in recent years, and it now boasts the fourth-highest gross domestic product per capita in the world.
